

Villa
PEREIRE
2021 BORDEAUX BLANC

APPELLATION D'ORIGINE CONTRÔLÉE-AOC

ABOUT:

Produced from the rocky, well-drained soils of Bordeaux, France, this versatile Bordeaux Blanc has brilliant mineral and citrus notes with supple, toasty oak complexity.

VINTAGE:

The Sauvignon Blanc is particularly brilliant this year - ripe and sophisticated, very aromatic and intense. The cool 2021 summer was favorable to the production of fine dry white wine in France, as it guarantees good acidity and preserves aromatics.

TERROIR:

The vines are located on clay-limestone soils.
