## 2021 CÔTES-DU-RHÔNE

APPELLATION D'ORIGINE CONTRÔLÉE-AOC

### **ABOUT:**

Our Red Blend is from the Côtes-du-Rhône region of southern France and is a lovely, medium-bodied wine that includes Grenache and Syrah. These varietals harmoniously meld together with notes of raspberry, lavender, fig, blackberry, dried herbs and cured meat on the nose and tongue. The finish is soft and supple.

### **VINTAGE:**

Despite frost, hail and rains that did not spare the Rhône Valley, the 2021 is a vintage of extraordinary quality. Grenache gives elegance, while Syrah lends to more generous flavors on the palate - a beautiful harvest outcome offers a fresh and harmonious wine.

### **TERROIR:**

Well exposed plots, white clay and sandstone on the surface, clay in the subsoil.

### **TASTING NOTES:**

This Rhône blend is deep and nicely brilliant with a ruby color. Powerful nose, round and well balanced in the mouth, elegant texture, with aromas that reflect the Vallée du Rhône terroirs, most especially ripe, red fruit and berries (black currant, raspberry), spice and a few light notes of licorice on the finish.

### **WINE PAIRING:**

Grilled eggplant, charcuterie, and rack of lamb

### **TECHNICAL INFO:**

Alcohol: 13.5% | pH: 3.68 | TA: 3.36 g/L

**VINIFICATION:** Very short maturing on fine lees to preserve the fruit aromas and the suppleness of the wine. The wine was vinified in concrete tanks and each variety was vinified separately to allow each blend to develop intense, aromatic fragrance on the nose.
